DIVISION OF
OIL, GAS & MINING

Dear Mr. Lehto:

Your updated notice to conduct mining related operations on unpatented mining claim Cherie #3, UMC serial number 239451, located in NE $\frac{1}{4}$, Sec. 7, T. 14 S., R. 10 W., SLBM, was received on September 7, 1993 and has been accepted by this office. Your existing notice case file number UTU-070646 has been amended to include this update. Please use this number in any future correspondence concerning this notice.

If you change your operation from what is described in your notice, please contact this office prior to the change. If your operation extends for more than one year, please advise this office on the status of your mining related activity on the anniversary date of your notice.

Enclosed is a copy of the Conditions of Acceptance for BLM Mining Notices, required by the Richfield District, House Range Resource Area. Please follow these guidelines as they pertain to your operation. In your notice you state, "Signs painted on excavations will be maintained." It is the policy of House Range Resource Area to approve signs of traditional design constructed of wood, plastic, steel or other suitable materials. This approval does not extend to signs painted on natural features such as rocks. Approval is given to leave the existing messages that are painted on excavations but the lettering is not to be maintained.

A copy of your notice has been sent to the Utah Division of Oil, Gas and Mining (UDOGM); therefore, you will not have to file this notice with them. A copy of your notice has also been sent to the Utah Department of Environmental Quality, Division of Water Quality (DWQ). Prior to the commencement of the proposed activity, all appropriate state water quality permits need to be obtained from the Utah Department of Environmental Quality, Division of Water Quality, located at:

288 North 1460 West
Salt Lake City, Utah 84114-4870

A permit for explosives may be required from the Bureau of Alcohol, Tobacco, and Firearms (ATF). The address for ATF is

125 South State Street
Salt Lake City, Utah 84145.

If ATF requires a permit, a copy of the permit should be submitted to this office.

Acceptance of your notice is contingent on the disclosure of all hazardous materials associated with your operation and their use, storage, transport, quantity, generation and disposal. Information regarding hazardous materials can be obtained from the State of Utah, Department of Environmental Quality, Division of Solid and Hazardous Waste at:

288 North 1460 West
Salt Lake City, Utah 84114-4880

You are required to contact the Department of Environmental Quality (DEQ), Emergency Response Section (ERS) at the Sections 24-hour response number (801-536-4123) immediately of a spill or discharge of hazardous substances.

As required by 43 CFR 3809, Surface Management Regulations, reasonable measures must be taken to prevent unnecessary or undue degradation of public lands during your operations. Please notify this office upon completion of operations and reclamation so an inspection may be conducted on the site. Reclamation under this notice is required to conform to the standards of the Utah Mined Land Reclamation Act.

Acceptance of your notice will not now, nor in the future, serve as a determination of the validity nor ownership of any mining claim included under your notice.

If you have any questions regarding this letter, please feel free to contact Rody Cox at (801) 743-6811. Thank you for submitting your notice.

Sincerely,

Rex Rowley
Area Manager
